

CERTIFIED RECOVERY SPECIALIST TRAINING:

FORT WAYNE, IN: MARCH 5-9, 2018

A Certified Recovery Specialist (CRS) is a peer support specialist who can use their own lived life experiences to help others (peers) through treatment and toward the path of recovery.

Eligibility Requirements

In order to take the CRS training, you must:

- Be 18 years of age or older
- Have lived experiences receiving mental health or substance use treatment
- Have been in recovery for at least one year
- Have a high school diploma or equivalent

Training openings are limited: please submit your training fee as soon as possible in order to secure your spot in this training.
