

ANNUAL REPORT

In spite of a global pandemic, Mental Health America of Northeast Indiana (MHANI) made an impact on the mental health of our community. By offering services virtually, MHANI provided mental health advocacy, education, and support to over 15,000 community members.

2020 BY THE NUMBERS

2,090

community members and professionals received high quality mental health trainings.

22,823

interactions with teachers and students receiving education and support through the Schools Care Network

381

parents received support from other parents at Parent Cafe

544

community members overcoming mental health challenges participated in Peer Support courses and groups

24

women with chronic conditions had a safe place to call home at Cedars Hope

137

senior adults and adults with disabilities were protected by dedicated professional guardians
