

Supporting employee mental health is good business!

Mental Wellness Works provides an opportunity for area organizations to evaluate and improve how they support employee mental health. In September 2023, Dr. Sherene McHenry makes her welcome return to Fort Wayne with a new, extended workshop designed to help managers, HR experts, and others interested in promoting psychologically safe and highly functioning workplaces.

An intersection of the arts and mental health

The 5th annual **Art of Hope** highlights local artists by sharing their inspiring works about recovery, healing, and hope. Local artists have shared 200+ works with our community over the lifetime of Art of Hope. Their stories of struggle and triumph have touched many. Your sponsorship makes these moments possible for another year. Call for entries opens in June 2023.
